## ORNAMENTAL SHRUBS

Burr Shrubs have been cut back; are well branched and are young healthy stock with excellent root development.

Height indicated is approximate height at maturity.

### Key to classification:

Key to letters preceding variety indicates the unusual conditions to which it also adapts itself.

a — Brilliant Autumn coloring.

sh — Shady spots.

c — Excellent cut-flower type.

w — Moist spots.

f — Good for forcing.

wr — Berries or colored bark for

p — Suitable for potting.

Winter effects.

d — Dry soil.

Per 10 Per 100

### **Acanthopanax**

d sh	<i>pentaphyllum</i> (Five leaf Aralia).			
	Height, 8 ft. Glossy dark green foliage. Withstands city			
	conditions. Good Hedge Plant.			
140	2 to 3 ft.....	\$2.50	\$22.50	
60	12 to 18 in.....	1.60		

**Almond** — See *Prunus glandulosa*.

**Althea** — See *Hibiscus syriacus*.

**Aralia** — See *Acanthopanax pentaphyllum*.

**Amygdalus** — See *Prunus glandulosa*.

### **Berberis**

*thunbergi* — See Hedge Plants and Lining Out Stock.

d wr *thunbergi atropurpurea* (Red Leaf Barberry).

Height 5 ft. Brilliant red foliage. Red berries remain all Winter.

#### 3 Year Transplants.

300	2 to 3 ft.....	2.75	25.00
300	18 to 24 in.....	2.00	18.00
100	15 to 18 in.....	1.60	14.00

See also Lining Out Stock.

*thunbergi erecta* (True Hedge Columnberry).

Plant Patent No. 110. Upright pyramidal dense growth, heavy foliage. Red berries. Desirable for compact hedges or can be grown into formal specimens.

12 to 15 in.....	.30	.24	.19	.16

### **Buddleia (Butterfly Bush)**

c *alternifolia*.

Blooms along the stem. Lilac purple flowers in July. Hardiest of all Buddleias.

100	18 to 24 in.....	1.75	15.00
100	12 to 18 in.....	1.25	10.00

c f p Charming.

Lavender pink flowers in late Summer. Excellent for potting. Grown from pot plants. Fine root systems.

100	18 to 24 in.....	2.50	22.50
100	12 to 18 in.....	2.00	18.00
120	Out of 2½ in. pots.....	1.25	10.00

## ORNAMENTAL SHRUBS (Continued)

Per 10 Per 100

### Buddleia (Butterfly Bush) (Continued)

#### c Concord.

New.	Reddish purple.	Grown from pot plants.	Fine root system.		
550	18 to 24 in.			\$3.00	\$25.00
350	12 to 18 in.			2.50	20.00
200	Out of 2½ in. pots.			1.25	10.00

#### c Dubonnet.

New.	Popular French wine Dubonnet color.	Erect grower.			
Good late summer cut flower.	Grown from pot plants.	Fine root system.			
100	18 to 24 in.			3.00	25.00
100	12 to 18 in.			2.50	20.00

#### c Eleanor.

New.	Dwarf.	Eleanor blue with orange eye.	Grown from pot plants.	Fine root system.	
260	15 to 18 in.			3.00	25.00
60	Out of 2½ in. pots.			1.25	

#### c Hartwegi.

New.	Bright lavender flowers.	Similar to Patented variety, Fortune.	Grown from pot plants.	Fine root system.	
300	18 to 24 in.			3.00	25.00
200	12 to 18 in.			2.50	20.00
80	Out of 2½ in. pots.			1.25	

#### c f p Ile de France.

Reddish purple flowers in August and September.	Good for potting.	Grown from pot plants.	Fine root system.		
200	18 to 24 in.			2.00	17.50
100	12 to 18 in.			1.50	12.50
120	Out of 2½ in. pots.			1.00	7.50

#### Davidi magnifica.

Purple flowers in August.					
800	18 to 24 in.			1.75	15.00
400	12 to 18 in.			1.25	10.00

#### Davidi magnifica superba.

Improved form of magnifica.	Large rosy purple flowers in August and September.	Good for cut flowers.	Grown from pot plants.	Fine root system.	
300	18 to 24 in.			2.00	17.50
180	12 to 18 in.			1.50	12.50
200	Out of 2½ in. pots.			1.00	7.50

#### Calycanthus

#### d floridus (Sweetshrub).

Also known as Strawberry Shrub.	Height 7 ft.	Large dark green foliage.	Fragrant chocolate colored flowers from June to August.		
100	18 to 24 in.			2.00	17.50

#### Caragana

#### d arborescens (Siberian Pea-tree).

Height 10 ft.	Finely divided bright green foliage.	Clusters of yellow flowers in May and June.			
30	18 to 24 in.			1.40	
30	12 to 18 in.			1.00	

#### Cercis

#### canadensis (American Red Bud or Judas Tree).

Height 15 ft.	Clusters of small rosy pink flowers appear in early Spring before the leaves.				
30	2 to 3 ft.			3.50	
60	18 to 24 in.			2.50	
100	18 to 24 in. (1 branch)			2.00	16.00
30	12 to 18 in.			2.00

	40 2 to 3 ft.....		2.25	
	70 18 to 24 in.....		1.75	

## HEDGE PLANTS

Per 100 Per 1000

### Berberis

#### *thunbergi* (Japanese Barberry).

Height 5 ft. Very hardy, stands abuse. Small dark green foliage, turns scarlet in the Fall. Covered with scarlet berries in the Fall which hold well into the winter.

#### 3 Year Transplanted.

2,000	2 to 2½ ft. 5 br. and up.....	\$15.00	\$125.00
12,000	18 to 24 in. 4 br. and up.....	10.00	90.00
7,500	15 to 18 in. 3 br. and up.....	8.00	60.00
3,500	12 to 15 in. 3 br. and up.....	5.50	45.00
2,000	9 to 12 in. branched.....	4.00	35.00

#### 2 Year Not Transplanted.

10,000	18 to 24 in. 3 br. and up.....	4.00	37.50
10,000	15 to 18 in. 3 br. and up.....	3.00	27.50
2,500	12 to 15 in. 2 br. and up.....	2.50	22.50
5,000	6 to 9 in. 1 and 2 br.....	1.25	10.00

#### See Also Lining Out Stock.

*thunbergi atropurpurea* — See Shrubs.

*thunbergi erecta* — See Shrubs.

### Ligustrum

#### *amurense*, North (Amur River Privet).

Dark green foliage holds late. Very hardy.

1,000	2 to 3 ft. 4 br. and up.....	6.00	50.00
1,500	18 to 24 in. 3 br. and up.....	4.50	35.00
1,500	12 to 18 in. 3 br. and up.....	3.00	25.00

#### *ibolium* (Ibolium Privet).

Similar to Ligustrum ovalifolium (California Privet) but more hardy.

Popularly called Hardy California Privet in Northern Sections.

Graded generously. Note number canes specified.

#### 2 Year.

7,000	2 to 3 ft. 4 br. and up.....	6.00	50.00
10,000	18 to 24 in. 3 br. and up.....	4.50	35.00
3,000	12 to 18 in. 3 br. and up.....	3.00	25.00

#### *ibota regelianum* (Regal Privet).

More of a shrub than a hedge plant. Green leaves and white panicles of flower. From Cuttings.

100	2 to 2½ ft.....	27.50
100	18 to 24 in.....	20.00

#### *ovalifolium* (California Privet).

Quick grower, glossy dark green foliage. A "special" with Burr.

We grow and grade it right. Heavy 2 and 3 year cut back plants.

Northern grown in Connecticut.

3,000	2 to 3 ft. 4 br. and up.....	6.00	50.00
3,000	18 to 24 in. 3 br. and up.....	4.50	35.00
2,000	12 to 18 in. 3 br. and up.....	3.00	25.00
20,000	9 to 12 in. 1 and 2 br.....	1.75	15.00
30,000	6 to 9 in.....	1.25	10.00

## CLIMBING VINES

Per 10 Per 100

### Ampelopsis

#### *quinquefolia* (Virginia Creeper).

Rapid growing hardy vine suitable for covering trellises, stone walls or verandas.

30	2 Yr. No. 1.....	\$1.50
30	2 Yr. No. 2.....	1.00

#### *quinquefolia engelmanni* (Engelman Creeper).

Good hardy clinging vine. Brilliant coloring in Autumn.

60	2 Yr. No. 1.....	1.50
60	2 Yr. No. 2.....	1.00

## CLIMBING VINES (Continued)

Per 10 Per 100

### **Ampelopsis (Continued)**

#### *tricuspidata (Veitchii) (Boston Ivy).*

Small blue berries. Self clinging to brick or stone walls. Rapid growing.

300	2 Yr. Medium.....	\$1.50	\$12.50
2000	2 Yr. Light.....	.90	7.00

See also Seedlings.

### **Aristolochia**

#### *sipho (Dutchman's Pipe).*

Large, heart-shaped dark green leaves. Small purple flowers like curve-stemmed pipes.

100	2 Yr. No. 1 (Grown from seedlings).....	2.50	20.00
750	2 Yr. Medium. (Grown from seedlings).....	1.75	15.00
40	2 Yr. No. 1 2 to 3 ft. (Grown from grafts).....	6.00	

### **Bignonia**

#### *radicans (Trumpet Vine).*

Upright growing. Trumpet shaped, scarlet flowers.

750	2 Yr. No. 1.....	1.50	12.00
200	2 Yr. No. 2.....	1.00	8.00

### **Celastrus**

#### *orbiculatus (Oriental Bittersweet).*

Rapid growing, twining vine. Bright orange berries with scarlet seeds in Autumn.

200	2 Yr. No. 1.....	2.00	15.00
100	2 Yr. No. 2.....	1.20	10.00

#### *scandens (American Bittersweet).*

An old fashioned vine. Yellow flowers; red and orange berries.

850	2 Yr. No. 1.....	2.00	15.00
200	2 Yr. No. 2.....	1.20	10.00

See also Lining Out Stock.

### **Clematis**

#### *Hybrids (Large Flowering Clematis).*

##### *Duchess of Edinburgh.*

Double pure white flowers. Not unlike a gardenia. Blooms on 1 year wood, therefore prune only old wood in February or March. A good Pillar Clematis.

20	2 Yr. No. 1.....	4.00	
----	------------------	------	--

##### *Henryi.*

Large white flowers, often measuring 8 inches across. Henryi is outstanding for its quality of bloom rather than its quantity.

60	2 Yr. No. 1.....	4.00	
----	------------------	------	--

##### *Jackmani.*

The most popular of large flowering Clematis. Violet-purple flowers throughout the summer and early autumn.

400	2 Yr. No. 1.....	4.00	35.00
-----	------------------	------	-------

##### *Mme. Baron Veillard.*

Lilac-rose flowers, that improve with the season. A French introduction. Is destined to become very popular.

60	2 Yr. No. 1.....	4.00	
----	------------------	------	--

##### *Mme. Edouard Andre.*

Red flowers with purplish cast that excel in a profusion of bloom.

70	2 Yr. No. 1.....	4.00	
----	------------------	------	--

##### *Ramona.*

Lavender blue flowers, suggests the beauty of the Indian Maiden, hence its name. A fine summer bloomer.

60	2 Yr. No. 1.....	4.00	
----	------------------	------	--

##### *paniculata (Sweet Autumn Clematis).*

Fragrant white star-like flowers. Very decorative foliage.

200	2 Yr. No. 1.....	2.00	16.00
-----	------------------	------	-------

**Dutchman's Pipe — See Aristolochia Sipho.**

## CLIMBING VINES (Continued)

Per 10 Per 100

### Lonicera

*japonica halleana* (Honeysuckle Hall's Japan).

Dainty fragrant flowers which open white  
and turn yellow.

3500	2 Yr. No. 1.....	\$1.50	\$12.50
5000	2 Yr. No. 2.....	1.20	10.00

6,500	4 to 6 mm.....	10.00	85.00
8,000	3 to 4 mm.....	6.50	50.00

## ROSES

All Burr Roses are budded on Multiflora, the finest and hardiest root stock in the world. Roses have been fertilized at the proper time, well cultivated and weekly dusted during the growing season. Good roots. Budded low for short shanks. All Roses graded according to the standards of American Association of Nurserymen.

160 <b>Thor.</b> Rich salmon pink of large size and great profusion of bloom	.80	6.00

## PERENNIALS

Seed is sown in frames, then transplanted in sterilized soil; again put under glass and the second time transplanted to the field where they are grown under irrigation. This is the reason we can grow larger and much stronger plants than the ordinary run of perennials.

Size mentioned is height eventually attained.

### Key to classification:

b Bedding or Border plant.

c Cut-flower type.

r Rock Garden plant.

Per 10 Per 100

### **Achillea (Milfoil or Yarrow)**

b	800	Millefolium roseum (Rosy Milfoil). . . . .	\$ .80	\$6.00
		Soft rose colored flowers. Finely cut foliage. June-		
		August. 18 in.		

b	700	Ptarmica The Pearl. . . . .	.80	6.00
		Double white flowers in June and August. 18 in.		

### **Alyssum (Madwort)**

br	1600	Saxatile compactum (Basket of Gold). . . . .	.80	6.00
		Masses of bright yellow flowers in May. 10 in.		

### **Anchusa**

b	800	Italica. . . . .	.80	6.00
		Bright blue flowers all summer. 3-4 ft.		

r	100	Myosotidiflora. . . . .	1.20	10.00
		Forget-me-not Anchusa. Dainty blue flowers in April and May. 1 ft.		

### **Anthemis (Chamomile)**

bc	140	Kelwayii. . . . .	.80	6.00
		Yellow daisy-like blooms all summer. 2 ft.		

### **Aquilegia (Columbine)**

bcr	400	Canadensis (Common American Columbine). . . . .	.90	7.00
		Red and yellow. June and July. 2 ft.		
bcr	800	Chrysanthia (Golden Columbine). . . . .	1.00	8.00
		Golden yellow long-spurred hybrids. Late June and July. 2-3 ft.		
bcr	1200	Longspur, Mixed. . . . .	1.00	8.00
		Mixed colors. June and July. 2 ft.		
bcr	400	Mrs. Scott Elliott. . . . .	1.00	8.00
		Long spurred Hybrids. Mixed colors. Fine for cut flowers. 3 ft.		

### **Arabis**

r	700	Alpina, White (Rockcress). . . . .	.80	6.00
		White flowers in April and May. Suitable for edging. 6 in.		

### **Armeria (See Pink or Thrift)**

b	1000	Formosa Hybrids. . . . .	1.00	8.00
		Shades of rose and pink. June and July. 20 in.		

### **Artemisia (Sage Brush)**

bc	200	Silver King (Ghost Plant). . . . .	1.00	8.00
		Silver foliage with white. Use in basket decorations.		

### **Buddleias — See Shrub List.**

### **Campanula (Bellflower)**

br	200	Carpatica Blue (Harebell). . . . .	.80	6.00
		Blue flowers in September. 9 in.		

br	900	Carpatica White (Harebell). . . . .	.80	6.00
		White flowers in September. 9 in.		

bcr	1600	Medium Single Blue (Canterbury Bells). . . . .	.80	6.00
		Blue flowers in June and July. 2½ ft.		

bcr	1700	Medium Single Rose. . . . .	.80	6.00
		Rose colored flowers in June and July. 2½ ft.		

bcr	1800	Medium Single White. . . . .	.80	6.00
		Similar to blue only has white flowers.		

## PERENNIALS (Continued)

			Per 10	Per 100
<b>Campanula (Bellflower)</b>				
bc	160	Persicifolia Alba (Peach Leaf Bellflower). . . . .	\$1.00	\$8.00
		Long spikes of white flowers.

		June to Sept. 18 in.		
c	5000	Gold Medal Hybrids. . . . .	1.00	8.00
		Mixed light and dark blue flowers in July and August. 4 ft.		
c	2000	Hollyhock Wrexham Strain. . . . .	1.00	8.00
		Long spikes of large flowers. Delicate blue to deep blue and purple.		

## PERENNIALS (Continued)

Per 10 Per 100

### **Delphinium, Pacific Hybrids**

c	100	Assorted.....	\$1.75	\$15.00
		Superb new strain. Spikes from 5-6 ft. Closely set with large flowers. Good for cut flowers.		
Special choice strains. (From selected seed.) 1 Year, Field Grown Plants. (Twice trans., grown in pots before going to the field.)				
100	Blue Jay Series.....		2.25	20.00
		Nearest yet to the true blue color, which is so rare in nature and so difficult to obtain. The color is striking, clear medium to dark blue, very intense and alive with dark contrasting bee.		
300	Galahad Series.....		2.25	20.00
		Clear white of enormous size, averaging 3 inches in diameter of individual flowers with very heavy glistening texture, pyramidal spikes of well spaced flowers, good branching habit, strong whippy stems with a high percentage of mildew resistance. The Galahad series puts the white on a par with the largest and strongest Delphiniums.		
300	Guinevere Series.....		2.25	20.00
		Light pink-lavender self with white bee. Individual florets 2½ to 3 inches in diameter, large spikes. Excellent branching habits. Good for cut flower and show purposes. 50 to 70% mildew resistance.		
100	Round Table Series.....		2.25	20.00
		These combine all the newest color developments and possess size that will make them invaluable for show purposes. Some 300 different crossings were used to make up this group and it represents innumerable color combinations.		

### **Dicentra (Bleeding Heart)**

br	200	Exima (Fringed).....	1.00	8.00
		Rose pink flowers all summer. 12 in.		

### **Digitalis (Foxglove)**

bc	1000	Alba.....	.80	6.00
		White, June and July. 3 ft.		
bc	1000	Purpurea.....	.80	6.00
		Purple flowers in June and July. 4 ft.		
bc	700	The Shirley.....	.80	6.00
		Mixed purple, pink and white flowers in June and July. 4 ft.		
bc	300	Rosea.....	.80	6.00
		Rosy pink flowers in June and July.		

### **Funkia Blue (Plaintain Lily)**

b	300	Hosta.....	.80	6.00
		Violet blue flowers in July and August. 18 in.		
b	140	Variegata.....	1.20	10.00
		Variegated foliage. Blue flowers.		

### **Fuchsia**

200	Magellanica.....	1.50	12.50	
		Field grown. Ruby-red pendant flowers are produced by the hundreds. Blooms all summer. Claimed to be hardy.		
100	Out of 2½ in. pots.....	1.00	8.00	

## PERENNIALS (Continued)

### Gaillardia

			Per 10	Per 100

## TERMS AND CONDITIONS OF SALE

This List cancels all former quotations, and is published contingent on all agreements and contracts being made subject to stock being unsold upon receipt of order and subject to unforeseen or unavoidable crop losses.

The Prices are wholesale and apply only to wholesale quantities — are based on present market conditions and subject to change without notice.

**Terms:** 60 days net from date of invoice. Interest at 6% per annum to be paid after date of maturity. C. O. D. shipments to be accompanied by 25% of face amount of order. Cash, security or satisfactory references are required from unknown parties.

**We Do Not Break Bundles.** All orders must be made up in 10 of a variety or multiples of 10, except Evergreens, Ornamental Trees and Perennials.

**Limited Liability or Non-Warranty.** No warranty as to productiveness or life of the stock we sell is expressed or implied. It is mutually agreed that our liability for untruthfulness to variety name is limited to free replacement or refund of purchase price, such adjustment to constitute full and complete restitution for such damages.

**Shipping.** We welcome customers' instructions regarding shipping. In the absence of definite instructions we will use our own judgment, with distinct understanding that it is without responsibility on our part. All shipments become property of and travel at the risk of the purchaser.

**Boxes** will be charged at the rate listed below.

	10 ft.	8 ft.	6 ft.
30 in.....	\$4.00	\$3.50	\$3.00
24 in.....	3.35	2.85	2.35
20 in.....	3.00	2.50	2.00
18 in.....	2.75	2.25	1.75

Larger or smaller boxes at proportionate rate — Double paper lining addition at cost.

**Bales** charged at actual cost.

**Claims** for shortages, unsatisfactory stock or for any cause whatsoever, to be entertained, must be made in writing direct to the home office within five days from receipt of shipment.

**Correspondents** are requested to use their business letterhead to identify them as being entitled to wholesale prices. We do not quote prices to retail buyers.

**Location.** 9 miles East of Hartford, Conn., on route 6 — 25 miles South of Springfield, Mass., on route 83. One of our automobiles will gladly meet wholesale visitors, coming by train, bring them to Manchester for inspection of our establishment and return them to Hartford or Springfield at their convenience. Visitors cordially invited and genuinely welcome

C. R. BURR & COMPANY, INC.  
MANCHESTER, CONN.
